**REQUEST FOR CORRECTED OFFICE ACTION AND RESTARTING PERIOD FOR
REPLY UNDER MPEP §710.06**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Nonfinal Official Action mailed August 13, 2007, Applicant hereby requests that a Corrected Office Action be issued that corrects the errors identified below. Applicant further requests that the period for reply be restarted to begin with the mailing date of the Corrected Office Action in accordance with MPEP §710.06. This Request is being submitted within one month of the mailing date of the August 13, 2007 Nonfinal Office Action.

The August 13, 2007 Office Action contains the error that it fails to reference each and every claim, as required under MPEP 707.07(i). In particular, the August 13, 2007 Office Action identifies claims 1-36 as pending in the application, and fails to reference pending claims 37-62 that were added on pages 14-21 of the Preliminary Amendment filed March 15, 2004.

Further, the August 13, 2007 Office Action does not address the limitations of claims 1, 3, 9, 11-15, 17, 23, 25-30, 35-36 as amended by the Preliminary Amendment filed March 15, 2004.

During a telephonic interview with Examiner Maung on September 13, 2007, Examiner Maung conceded that the claims that were examined were those as originally filed (due to duplicate file name and dates in the Image File Wrapper System), and acknowledged that the Preliminary Amendment filed March 15, 2004 added claims 37-62 and amended claims 1, 3, 9, 11-15, 17, 23, 25-30, and 35-36. During the telephonic interview, Agreement was reached that a Corrected Office Action would be issued that addressed claims 1-62 as recited in the Preliminary Amendment filed March 15, 2004, and that the period for reply would be restarted to begin with the mailing date of the Corrected Office Action in accordance with MPEP §710.06.

Hence, Applicant hereby requests that a Corrected Office Action be issued that identifies claims 1-62 based on the Preliminary Amendment, and that the period for reply be restarted to begin with the mailing date of the Corrected Office Action in accordance with MPEP §710.06.

Respectfully submitted,
